Dear Dr. Ricci:

I attended your clinic on December 8, 2009 in Yerington, Nevada relating to techniques to reduce stress, and behavioral modification. On behalf of Lyon County I would like to thank you for making the presentation to our employees.

The health of our employees is of utmost importance and I was glad to participate in this clinic and feel that the employees who attended did walk-away with some excellent ways to improve their health.

I would recommend that other private or governmental agencies attend your clinic and again thank you for traveling to Yerington for the betterment of Lyon County employees.

Sincerely,
